

# How Do We Listen To What Doesn't Speak?

presented by Jaki Daniels

Friday evening,  
September 2, 2011  
7 - 9 pm

You are invited to join us for an evening of immersion into the subtle and influential forces that are within us, and all around us.

Through Jaki's reading of her personal story, group discussion, and a gentle introduction to 'ceremony' we will be guided on 'how' to open ourselves to the deeper, spiritual nature of life.
